East Tech Alumni President's Message

Greetings Fellow Scarabs & Friends!

*Coming together as one is our goal as we seek new innovative ways to bring scholar dollars to the "Young Scarabs" at our alma mater, East Technical High School. Raising funds is hard work, but well worth it when we see how these funds can assist our students in their educational needs. In unity we can change working hard to working smart and the result has been awesome. Because of you and alumni class committees, for 2014 we are able to award **\$9,700** scholarships to East Tech students. This brought our total awards to **\$95,000** since 2006. Thanks to alumni, students/parents, school administration and the East Tech Community for your loyalty and commitment in coming together on one accord for the good of East Tech High School and our students".*

The afternoon's agenda will consist of the following:

- ❖ Lunch Social
- ❖ Scholarship Recipient Awards
- ❖ Recognition of Central and East Tech Community Leaders
- ❖ Recognition of East Tech Athletic Champions

Please support, get an early start and send in your donation for the 2015 East Tech Scholarship Fund. P.O. Box 5067, Cleveland, Ohio, 44101.

In Scarab Pride,

*Greta Stakely-Humphrey, M.A.
