On behalf of all of The East Technical High School Alumni Association's scholarship recipients, thank you for your participation in our Fundraising event**.** The registration fee that you paid will be added to our annual fund that provides critical funding for all East Technical High School Alumni Association scholarships to deserving students.

Because of your support, The East Technical High School Alumni Association is able to lend a helping hand by assisting students with meeting their financial need for college. With your continued support of The Association, we will be able to make a difference in the lives of students at East Technical High School.

Again, thank you for making this event a huge success.

Sincerely,
David O'Neal
Fundraising Chair, ETAA
